

July 22, 2011

Below are anticipated construction activities for the week of 7/25/2011.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

CENTER TOWNSHIP

Work is scheduled to take place during the daytime hours, though some sidewalk closures will be necessary overnight. Lane closures and restricted parking are to be expected during construction activities on the following streets.

- 16th Street from Illinois Street to Central Avenue
- 26th Street from Dearborn Street to Olney Street
- 34th Street from Keystone Avenue to Sherman Drive
- Capitol Avenue from South Street to Washington Street
- College Avenue from Washington Street to 16th Street
- College Avenue from Fletcher Avenue to Washington Street
- Delaware Street from the dead end to Palmer Street
- East Street from Ohio Street to Washington Street
- Ewing Street from Washington Street to New York Street
- Illinois Street from McCarty Street to Washington Street
- Laurel Street from Prospect Street to English Avenue
- Linwood Avenue from Michigan Street to 10th Street
- Massachusetts Avenue from Delaware Street to Bellefontaine Street
- Meridian Street from South Street to Washington Street
- Meridian Street from Troy Avenue to Raymond Street
- Meridian Street from Morris Street to McCarty Street
- Merrill Street from Capitol Avenue to Meridian Street and from Kentucky Avenue to Missouri Street
- Michigan Street from Porto Alegre Street to Pennsylvania Street
- New Jersey Street from Ohio Street to St. Clair Street
- New York Street from West Street to College Avenue
- North Street from Delaware Street to New Jersey Street
- Ohio Street from West Street to Alabama Street
- Oliver Avenue from Marion Avenue to White River Parkway West Drive
- Oriental Street from Michigan Street to 10th Street
- Orange Street from Madison Avenue to East Street
- Oxford Street from the dead end to 25th Street
- Pennsylvania Street from McCarty Street to Washington Street
- Prospect Street from Southeastern Avenue to Emerson Avenue
- South Street from Capitol Avenue to College Avenue
- Vermont Street from Indiana Avenue to Illinois Street

- Vermont Street from Meridian Street to Pennsylvania Street
- Wallace Street from 10th Street to 16th Street
- Walnut Street from New Jersey Street to Park Avenue
- Washington Street from West Street to College Avenue
- Intersection of Delaware Street and McCarty Street
- Intersection of Maryland Street and West Street
- Intersection of North Street and Cleveland Street

The rehabilitation of the Oliver Avenue Bridge over White River will continue. The bridge will remain open during construction with lane restrictions.

The Morris Street Bridge over White River will be closed during construction. A posted detour route will direct motorists around this year-long project.

Brick work on Market Street from Pennsylvania Street to Delaware Street and Meridian Street just south of Monument Circle will continue.

Shelby Street and Madison Avenue from County Line Road to Virginia Avenue may have restrictions as construction for bike lanes is underway. This project also extends into Perry Township.

Construction is underway to close Orange Street from Harlan Street to Pleasant Run Parkway permanently for landscaping at the request of the neighborhood.

East 10th Street from College Avenue to Dorman Street will be closed for construction beginning July 18 through September 16.

Restrictions may be in place as signs are installed for a bike lane project on Illinois Street from 16th Street to Westfield Boulevard. (This project also extends into Washington Township.)

Indianapolis Cultural Trail: A Legacy of Gene & Marilyn Glick

Traffic is still restricted on Virginia Avenue (Southeast Corridor), southbound under the Conseco Garage, and on New Jersey Street between Louisiana Street and South Street. South Street has intermittent restrictions as well between New Jersey Street and Virginia Avenue. Virginia Avenue between Prospect Street and the underpass of I-65/I-70 has been reduced to one lane of traffic in each direction and moved to the far eastern most lanes for the construction of the trail on the western side of Virginia Avenue. Parking on Virginia Avenue has been eliminated in this area. Work is underway on New Jersey Street between South Street and Virginia Avenue. Virginia Avenue between Pennsylvania Avenue and Delaware Street is restricted to one way northbound for construction of the trail.

The Central Corridor (Washington Street) of the Cultural Trail is underway, and the contractor is working in the blocks between Alabama Street and Illinois Street on the north side of Washington Street. Starting July 18, the contractor will do the removal of the asphalt and concrete in the block between Illinois Street and Capitol Avenue for utility relocations and to

place storm sewers and curb. Utility relocations are completing on Washington Street from West Street to Illinois Street. The work in front of the Conrad Hotel is progressing, and the plaza area on the northeast corner of Illinois and Washington will start to go back in the week of July 18. The loading zone for the Conrad Hotel has been moved to Illinois Street between Washington Street and Court Street.

Georgia Street

Hunt Construction Group will now begin working on Saturdays. Georgia Street is closed from Capitol Avenue to Illinois Street to through traffic. A new driveway off of Capitol Avenue, north of Georgia Street, is now in use for St. John's Church. The Dennison Parking garage has access from the garage to Illinois Street. Georgia Street from Illinois Street to Meridian Street is restricted to one lane of traffic. One-way access to the Simon parking garage remains open. Georgia Street from Meridian Street to Pennsylvania Street is restricted to one lane. One-way access to residential and surface parking areas will remain open. Please visit the project web page at www.indy.gov/georgiastreet.

Scioto Street

Construction will continue on Scioto Street between Maryland Street and the Union Station parking garage.

WAYNE TOWNSHIP

38th Street from I-465 to I-65 remains under construction. Please visit the project web page at <http://www.indy.gov/dpw>.

Two-way traffic is being maintained as construction is underway on Executive Drive over Sam Jones Expressway for the bridge rehabilitation.

Manhole adjustments are underway on 10th Street from Holt Road to I-465.
